- **Frequently of the Board Meeting and Academic Advisory Body**

Board Meeting: Yearly Twice

Academic Advisory Body: Monthly Once

- **Organizational chart and processes**

- **Nature and Extent of involvement of Faculty and students in academic affairs/ improvements**
 - Institute level decisions are made through participatory mechanism.
 - The students' share of participation is ensured through their presence on various committees and platforms.
 - The Head of the institution in turn seeks suggestions from HoDs and prepares institutional draft proposals.
 - Feedback from the stake holders at various levels is analyzed and important inputs are taken into consideration in all management decision making process
 - Management Capacity Enhancement training is provided to faculty at different cadres.
 - Administrative and academic responsibility with accountability is distributed at various levels of decentralized organizational set up.
 - Relevant decision making and financial powers are vested with the concerned administrators at different levels.
 - Leadership training is being imparted to those identified as future leaders for carrying over the vision and mission.

- **Mechanism/ Norms and Procedure for democratic/ good Governance**
 - The management of Sir C R Reddy College of Engineering ensured decentralization by creating HoDs and Incharges to help the Head of the Institution in day-to-day activities at the top of a multi-tier.
 - The institute has a systematic strategic planning process to identify the strategic objectives, strategic challenges, strategic advantages, long term goals with appropriate action plans by considering Institutional Vision and Mission) as well as the feedbacks from internal and external stakeholders.
 - A parallel system of office management exists to assist the principal in the governance in general.
 - A finance committee advises the Principal in the planning and spending the available finances effectively and constructively while an independent auditing mechanism takes care of procedural snags and avoidable wastage.
 - The Governing Body on its part supports the college administration with timely decisions and approvals and developmental matters.

- **Student Feedback on Institutional Governance/ Faculty performance**
 - The feedback system is confidential and collected twice a year through online portal. Students will login to the feedback portal in the college premises during working hours and provide feedback and is evaluated on a scale of 1 to 10.
 - The minimum feedback for a faculty member is **8** out of **10** rating system. Necessary corrective actions are initiated for the faculty having Faculty Performance Index (FPI) less than the college standards.

 - Feedback is also collected from the students on the facilities available in the college such as classroom infrastructure, library, labs, canteen, playground, internet facility etc.,

 - After collecting the feedback administrative office analyze the feedback and submit the consolidated report to Principal. Principal discuss with the management and HoDs on week areas if any for corrective actions.
