### Women Empowerment and Grievance Cell

### Annual report on grievances for A.Y- 2022-23

Date: 08-08-2023.

The Women's Grievance Cell is a dedicated body designed to address the challenges and issues faced by female students and staff on campus. Its primary aim is to promote a sense of safety, security, and well-being among women in the college community.

#### Functions and Activities:

- **Support System:** The cell provides a safe and confidential environment where female students and staff can raise concerns or report incidents.
- **Problem Resolution:** The cell investigates grievances and works towards resolving them through appropriate measures, ensuring fairness and confidentiality.
- **Safety and Security:** It helps in fostering a secure environment on campus by addressing security-related concerns and promoting preventive measures.
- **Awareness Programs:** The cell organizes workshops, seminars, and other initiatives to raise awareness about issues like gender equality, harassment, and women's rights.

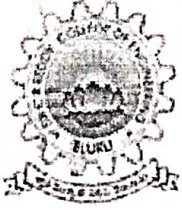

In the A.Y 2022-23, a single issue has been raised on 14-11-22 among the girl students and boys as well. It's been enquired, counseled and resolved by undertaking the letters from the victims and accused persons and made the discussions in a confidential way with the admit of all the WEGC members headed by Chairman. Finally the accused are counseled and warned to not repeat the same in future.
