Career Objective

To be a part of a growing and reputed organization which would provide ample opportunities for me to utilize my knowledge and skills in contributing to the success of the organization, and thus leads to my professional and personal growth.

Qualification:

M. Tech – Structural Engineering.

Work Experience & Others:

S. No	Details	Designation	Experience
1	Sir C R Reddy College of Engineering, Eluru, West Godavari District, Andhra Pradesh-534007	Asst. Professor	Aug, 2014 to till date
2	Global Research & Development Journal	Editorial Board Review Member	Since Dec, 2016
3	Member of Indian Concrete Institute	Life Member	Since June, 2017

Technical Skills

AUTO CADD

STADD PRO

MAT LAB

Area of Interest:

Concrete technology: Fibre Reinforced Concrete, High Strength Concrete, Self- compaction Concrete, Geopolymer Concrete.

Structural Engineering: Earthquake Engineering, Blast Load Analysis.

Seminars Conducted & Attended:

Work shop conducted on Remote sensing and GIS applications in SIR C R Reddy college of engineering, Eluru through source of NIT Warangal

A seminar conducted on Geo-tagging

A seminar conducted on Jalasamrakshna in college.

Faculty development programme on Advanced Tools in Civil Engineering in V R Siddhartha Engineering College, Vijayawada.

A Training programme conducted in college for students on advanced equipment of DGPS (Differential Global Positioning System)

Journals Published:

Study of Mechanical Properties of High Strength Concrete By Partial Replacement of Cement With Fly Ash and In Incorporating of Fibers in IDL Scoups Indexed journal

Mix Design of High Strength Concrete by Partially Replacement of Cement by Flyash in IDL Scoups Indexed journal

Journal published on title of study on blast wave parameters over the facade of high rise buildings in IOSR journal

Study of concrete with metakolin is one of the journal in GRD journal

Response study of multi storey building under abnormal loads in IJERT Journal

(K. SRINIVASA RAO)
