## Washroom Facility for Physically Challenged

The washroom facilities for physically handicapped individuals at Sir C R Reddy College of Engineering are designed to be fully accessible and accommodating. These facilities typically include wider entrance doors to accommodate wheelchairs. Additionally, these washrooms are usually located on the ground floor or easily accessible areas to ensure convenience for individuals with mobility challenges. The college ensures that these facilities comply with relevant accessibility standards and regulations to provide an inclusive environment for all students and staff.
