PROJECTS:

I have done M.Tech project titled "Experimental Analysis of AA6061, AA6082 & AA2014 alloys processed through Equal Channel Angular Pressing (ECAP)".

I have done a B.Tech project titled "Optimization of tool life of Tungsten Carbide and Polycrystalline Cubic Boron Nitride (PCBN) inserts by milling on e-glass/epoxy composite material".

EXPERIENCE:

- Working as Assistant Professor, Department of Mechanical Engineering, in Shri Vishnu Engineering College for Women (SVECW - A), Bhimavaram, from 28th June, 2019 to till date.
- Worked as Assistant Professor, Department of Mechanical Engineering, in Lingaya's Institute of Management & Technology (LIMAT), Vijayawada during 14th June, 2018 – 30th May, 2019.

SOFTWARE & PERSONAL SKILLS:

- Critical Thinking
- Auto-CAD
- Problem Solving
- Time Management
- MS Office

ACADEMIC REWARDS / ACHIEVEMENTS:

- Ratified as **Assistant Professor** during by **Jawaharlal Nehru Technological University (JNTU), Kakinada**.
- Participated in **Academy for Faculty Development Program (Employment Orientation Program)** during M .Tech program at **Vignan's University, Vadlamudi, Guntur**.

A One-Day Workshop on "I.P.R Enforcement Policy"

REPORT

Academic Year: 2020-21

Date:28.01.2021

Basic information about the workshop:

Title of the workshop : A One-Day Workshop on "I.P.R Enforcement Policy"
About the resource person : Sri **K Raghavendra Sai**, Assistant Professor,
Department of ME, SVECW, Bhimavaram

Stakeholders : All the students of II/III/IV B. Tech - Mechanical
Engineering.

Background of the Stakeholder : Stakeholders are UG students who have the basic
Knowledge of Mechanical Engineering.

Objectives:

Intellectual Property Rights (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. Creativity and innovation are new drivers of the world economy. With the increasing relevance of Intellectual Property (IP) in this era of globalization, it is important to recognize the role which IP systems play in the growth of the Nation. Thus, there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy. With the view to create awareness on the significance of IPR to the people from various sectors in the Country, Sir C R Reddy College of Engineering is organizing a one day Workshop on Intellectual Property. The Workshop is intended to cover various aspects of IPR like Patents, Copyrights, Trademarks, etc.

Therefore, the stakeholders of this workshop will be able to know the importance of the IPR enforcement and its policy designed by the Govt. of India. Also, they know how to register their patent works and the guidelines of the policy. The stakeholders will be interested in doing innovative things.

Inauguration: Started at 09:30 AM

About The IPR Workshop:

Introduction:

Intellectual property is a category of property that includes intangible creations of the human intellect, and primarily encompasses copyrights, patents, and trademarks. It also includes other types of rights, such as trade secrets, publicity rights, moral rights, and rights against unfair competition. Artistic works like music and literature, as well as some discoveries, inventions, words, phrases, symbols, and designs can all be protected as intellectual property. The main purpose of intellectual property law is to encourage the creation of a wide variety of intellectual goods. An intellectual property right refers to the general term for the assignment of property rights through patents, copyrights and trademarks. These property rights allow the holder to exercise a monopoly on the use of the item for a specified period.

Major Intellectual Property:

Copyright: Copyright is a legal term describing rights given to creators on their literary and artistic works.

Related Rights: Rights granted by law to communicators of works to the public.

- Performers
- Broadcasting Organizations

Performer's Rights: It includes recording, broadcasting and communicating to the public of a live performance. Its duration is about 50 years.

Rights of Broadcasting Organizations: It includes Broadcast Reproduction Right. It mainly focuses on Re-broadcasting, Recording and Communicating to the Public of a Broadcast. It has duration of about 25 years.

Patent: A patent is an exclusive right granted for an invention, which is a product or a process that provides a new way of doing something, or offers a new technical solution to a problem. The limited monopoly right granted by the state enables an inventor to prohibit

another person from manufacturing, using or selling the patented product or from using the patented process, without permission. The time period of patent is about 20 years.

Industrial Design: An industrial design is the ornamental or aesthetic aspect of an article which must appeal to the eye. The design may consist of three-dimensional features, such as the shape or surface of an article, or of two-dimensional features, such as patterns, lines or color.

Trademark: A trademark is a distinctive sign which identifies certain goods or services as those produced or provided by a specific person or enterprise.

Geographical Indication: Geographical Indication is an indication which identifies goods as agricultural goods, natural goods or manufactured goods as originating, or manufactured in the territory of country, or a region or locality in that territory, where a given quality, reputation or other characteristic of such goods is essentially attributable to its geographical origin.

Layout Design: It includes layout of transistors and other circuit elements, including lead wires connecting such elements and expressed in any manner in a semiconductor integrated circuit (IC).

Trade secret: Some inventions, data, information cannot be protected by any of the available means of IPRs. Such information is held confidential as a trade secret. Trade secret can be an invention, idea, survey method, manufacturing process, experiment results, chemical formula, recipe, financial strategy, client database etc.

The protection of plant varieties and farmers' rights: The Protection of Plant Variety and Farmers Right Act, 2001 (PPVFR Act) is an Act of the Parliament of India that was enacted to provide for the establishment of an effective system for protection of plant varieties, the rights of farmers and plant breeders, and to encourage the development and cultivation of new varieties of plants.

Sessions of the Workshop:

The workshop was carried out in 3 sessions. The speaker & the guest of honour were from Novel IPR Academy, Visakhapatnam.

First session:

The introductory session was taken by the speaker. In this session, a complete introduction on intellectual properties, intellectual property laws & their clauses. In this session, the students were taught about the Intellectual Property Rights & their principles. Also the students were given enough information about how to use this knowledge to proceed forward in a startup

company. Also they have been taught how to use intellectual property laws in case of injustice and the legal options available in Indian judicial system.

Second session:

Complete information on intellectual properties like patent, copyright, trademark, design, trade secret etc was given. Also the speaker explained the difference between these topics, also the validity for each right, judicial law available under each right & the limitations of each right.

Third session:

The session began with explaining the various aspects of copy right. Discussed in detail about the topics like 'What is copyright?', 'What do we mean by author or creator?' Originality of Literary works, Judicial decisions (Copyright in judgments produced by courts vs government) etc. He concluded the session by discussing about Trademark", "Service Mark and Collective mark. His presentation was much informative as cited interesting case studies.

At the end of third session, an activity for the students was conducted, where students were given an activity to come up with an innovative idea, solution & presentation for the given problem statements. Also the students were needed to inculcate how the students can use the above taught intellectual property rights, claim the benefits & get security in their startups. The third session was ended at 04:45 P.M

The workshop was concluded by the valedictory session which was undergone in presence of Dr. M.B.S.V. Prasad, Secretary and Dr. G Sambasiva Rao, Prinicipal of the college where each participant was awarded by a certificate of participation.

A workshop on "How to Write a Research Paper"

REPORT

Date: 23-03-2021

Title: "How to Write a Research paper"

Resource person: Dr. N. CH. Ramesh Babu, Assistant Professor, IIIT, Nuzvid.

Stakeholders: All the faculty of First Year Engineering Department.

Inauguration: Started at 09:30AM

Session Timings: 10:00AM -12:40PM

About How to Write a Research Paper:

Introduction: The course has the objective of introducing the participants with fundamentals of How to Write a Research Paper so that they can understand the requirements and challenges in this area. Following are the key learning objectives of this Workshop.

Objectives:

1. Clearly define the subject or topic of your research. This will provide a broad context for developing specific research objectives.
2. Review existing literature and research related to your topic. This will help you understand the current state of knowledge, identify any research gaps, and refine your research objectives accordingly.
3. Formulate specific research questions or hypotheses that you want to address in your study. These questions should be directly related to your research topic and guide the development of your research objectives.
4. Break down the broader research questions or hypothesis into specific goals or objectives. Each objective should focus on a particular aspect of your research topic and be achievable within the scope of your study.

Conclusion:

The one day workshop on "How to Write a Research paper" by Dr. N. CH. Ramesh Babu promises to be an enriching experience for attendees. Through engaging presentations and insightful discussions, participants will enrich knowledge on writing research paper.

WEBINAR ON RESEARCH PAPER WRITING FOR A SCIENTIFIC JOURNAL

Name of the Organizing Unit: IEEE SIRCRRCOE STUDENT BRANCH (STB11558)

Venue: Online (Zoom & YouTube).

Date of Event: 15th May, 2021.

Topic: Research Paper Writing.

No. of Participants: 350 Members.

Speaker:

Dr. Ch. Hima Bindu,

SMIEEE, MISTE, MACM, MISSE,

Professor and HOD-ECE,

QIS College of Engineering (Autonomous).

Brief Description:

Webinar on Research paper Writing for a Scientific Journal was conducted and organized by our IEEE SIRCRRCOE Student Branch on 14th May 2021 @10:00 AM to 11:30 AM. The main motto of this webinar of writing a research paper is to encourage students to understand and do research on the specific domain that which they are interested in and to participate in the "IEEE R10 Student Research Paper Contest".

The event was started by inviting speaker Dr. Ch. Hima Bindu. She explained about the research paper and the need of writing a research paper. Important points and ways of writing the research paper are clearly explained by the speaker. Speaker gave references for the research paper writing. She also provided information and websites regarding writing and publishing the research papers by the students. We also thank IEEE Students Portal and IEEE Virtual Speakers Bureau Committee for accepting our request and providing the speaker according to our requirements.

VISION OF THE DEPARTMENT

To be a premier department that nurtures individuals for acquisition of knowledge with research orientation which suits the local and global needs of industry and society in the field of Electronics and Communication Engineering

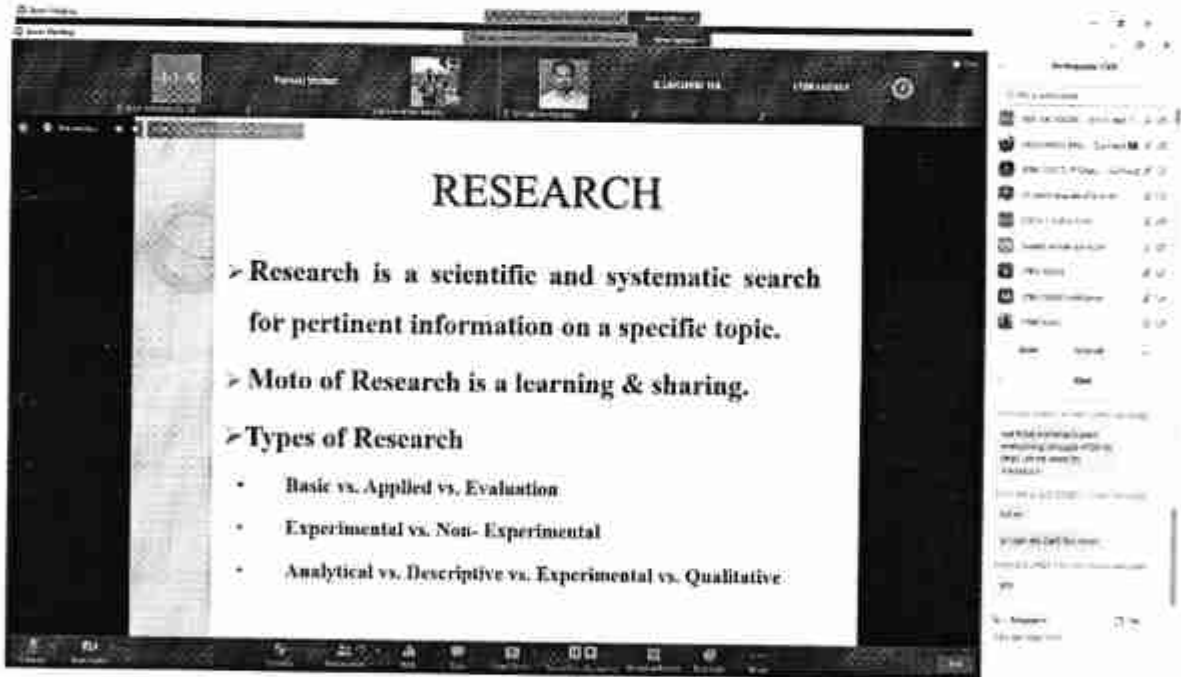

MISSION OF DEPARTMENT

- M1.** To impart quality education and encourage research with an emphasis on application and innovation.
- M2.** To cater to the emerging societal needs through all-round development of students
- M3.** To enable individuals face the global competition
- M4.** To inculcate the importance of ethical and moral Values in students.
