 Training & Placement Officer
 Sir C.R.Reddy College of Engineering
 Vatluuru, ELURU-534 007.

Sir C R Reddy college of Engineering

Department of Training and Placement

Campus recruitment training program

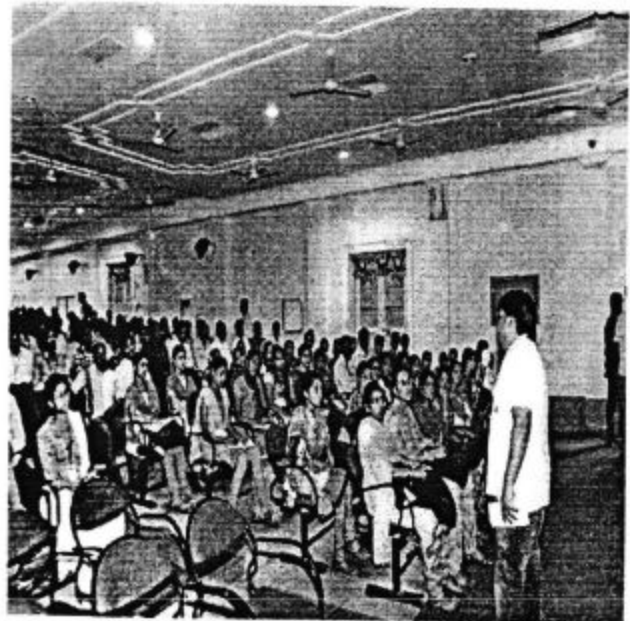

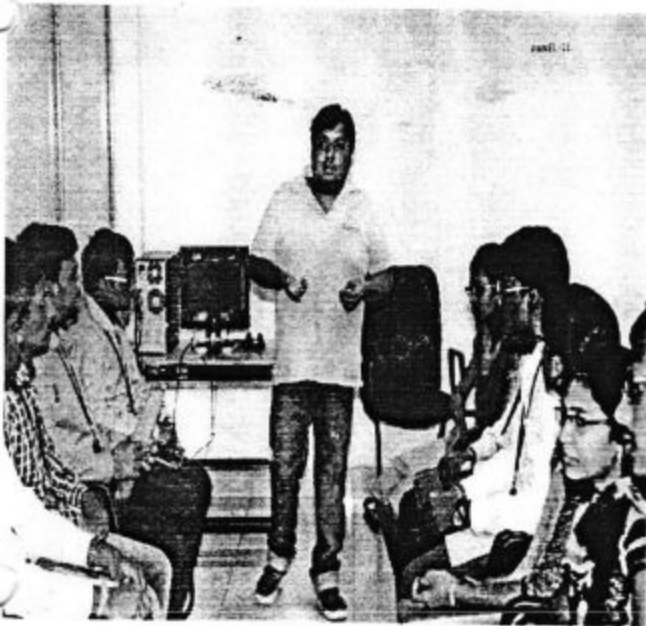

Date of implementation : 20-07-2021 to 27-07-2021

Number of Students Enrolled : 450

Conducted by : Logik Works

Teaching methods : Presentation, Group discussion, Video tutorials, writing etc.

Logik Works wants to help bridge the gap in what students learn and what skills they need, especially in engineering. We aim to make learning practical and useful, so students can succeed. Through our innovative programs, we want to give students and professionals the skills they need for today's competitive world.

Training programs furnish students with practical skills and hands-on experience, enhancing their theoretical knowledge and closing the divide between academic learning and real-world applications. This boosts graduates' employability.

- These programs offer students valuable hands-on experience, helping them apply theoretical knowledge in practical scenarios.
- The practical skills acquired through training contribute significantly to narrowing the gap between classroom learning and real-world challenges.
- Bridging this divide between theory and practice is crucial for making graduates more competitive in the job market.
- Graduates with hands-on experience are better prepared to meet the demands of the professional world, increasing their chances of securing employment.
- Overall, the enhancement of employability is a direct result of the practical skills gained in these training programs.

Department of Training and Placement

Campus recruitment training program

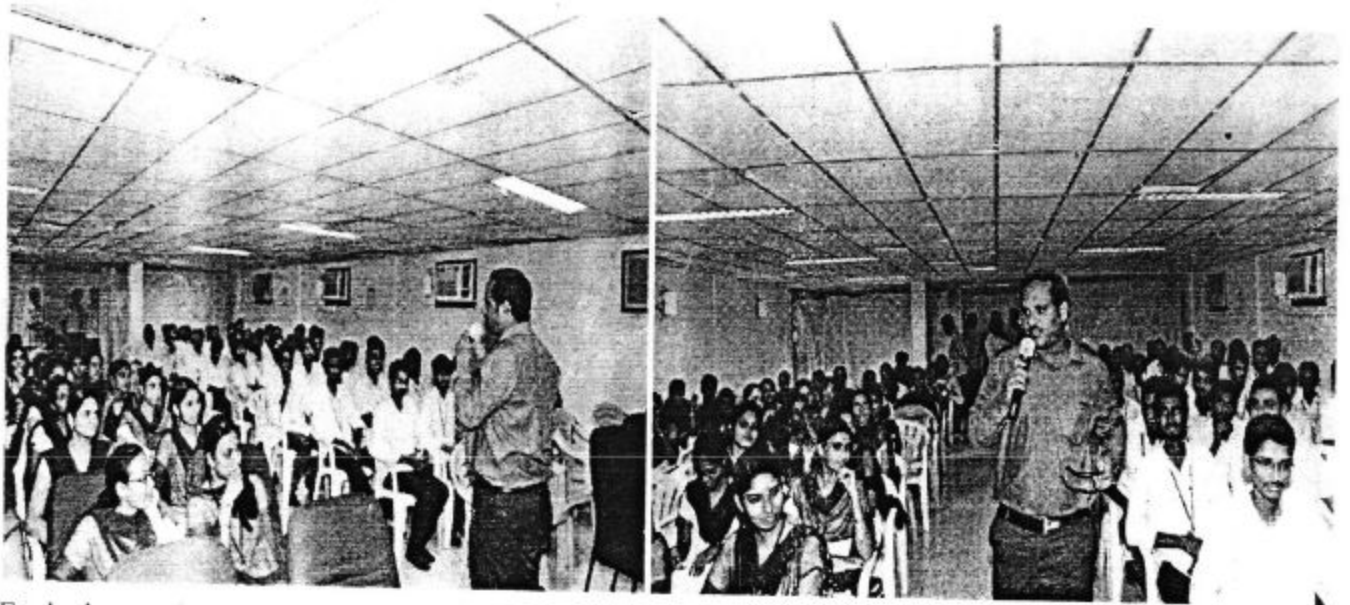

Date of implementation : 01-09-2021 to 08-09-2021

Number of Students Enrolled : 180

Conducted by : Logik Works

Teaching methods : Presentation, Group discussion, Video tutorials, writing etc.

Logik Works wants to help bridge the gap in what students learn and what skills they need, especially in engineering. We aim to make learning practical and useful, so students can succeed. Through our innovative programs, we want to give students and professionals the skills they need for today's competitive world.

Equipping students with practical skills and hands-on experience, training programs complement their theoretical knowledge, narrowing the gap between academic learning and real-world applications, ultimately making graduates more employable.

- The combination of theoretical knowledge and practical skills acquired in training programs creates a well-rounded skill set for students.
- By narrowing the gap between theory and application, these programs enhance graduates' readiness for real-world challenges.
- The complementary nature of practical and theoretical aspects ensures that graduates are better equipped to tackle professional scenarios.
- Ultimately, the employability of graduates is significantly increased through this harmonious blend of theory and hands-on experience.
- These programs play a crucial role in preparing students for the dynamic and practical aspects of their future careers.

Through our innovative programs, we want to give students and professionals the skills they need for today's competitive world.

The hands-on experience and practical skills provided by training programs complement students' theoretical knowledge, bridging the gap between academic learning and real-world applications, thereby enhancing graduates' employability.

- Practical skills and hands-on experience serve as valuable additions to students' theoretical knowledge, creating a holistic understanding of their field.
- The bridging of the gap between theory and real-world applications is a key aspect of these training programs.
- The enhancement of employability is a natural outcome of this comprehensive approach to education.
- Graduates emerge from these programs not only with theoretical expertise but also with the practical know-how to excel in their professions.
- The integration of hands-on experience with theoretical foundations ensures that graduates are well-prepared for the challenges they may encounter in their careers.

Campus recruitment training program

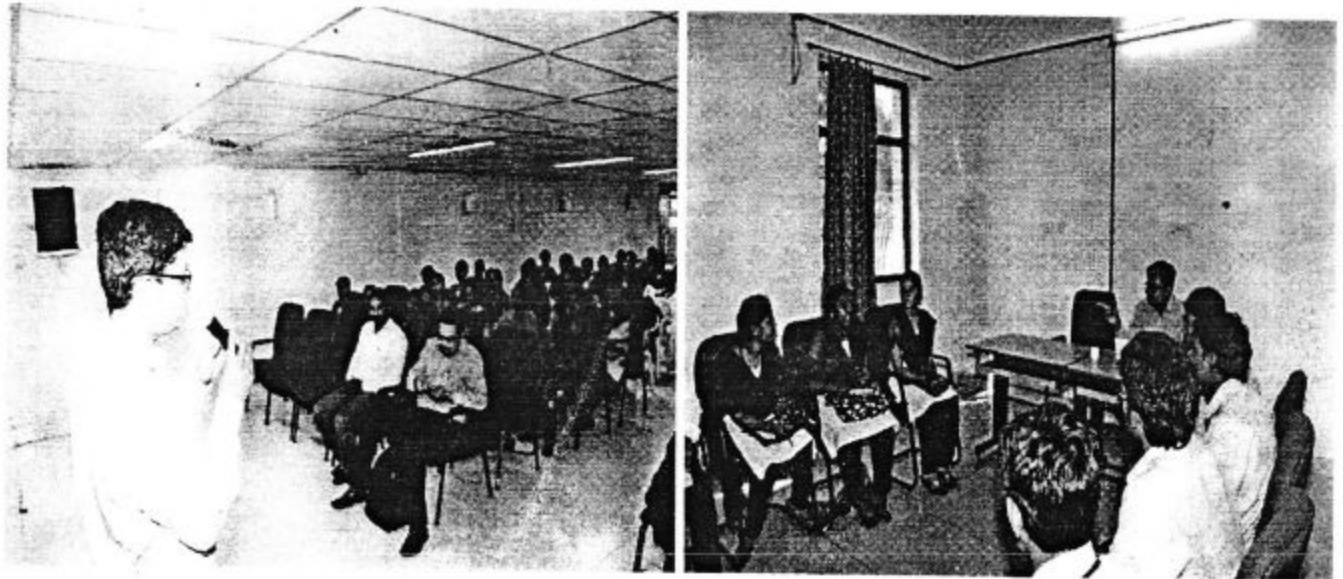

Date of implementation : 04-10-2021 to 08-10-2021

Number of Students Enrolled : 138

Conducted by : Logik Works

Teaching methods : Presentation, Group discussion, Video tutorials, writing etc.

Logik Works wants to help bridge the gap in what students learn and what skills they need, especially in engineering. We aim to make learning practical and useful, so students can succeed. Through our innovative programs, we want to give students and professionals the skills they need for today's competitive world.

Bridging the gap between academic learning and real-world applications, training programs provide students with practical skills and hands-on experience, making graduates more employable.

- The central aim of training programs is to seamlessly connect academic knowledge with real-world scenarios.
- The provision of hands-on experience is a fundamental aspect of these programs, enriching students' learning journeys.
- Bridging the gap between academia and the professional world is essential for ensuring graduates' success.
- Graduates with hands-on experience are better positioned to contribute meaningfully in their respective industries.
- The direct impact of these programs is reflected in the heightened employability of graduates in the job market.

Department of Training and Placement

Campus recruitment training program

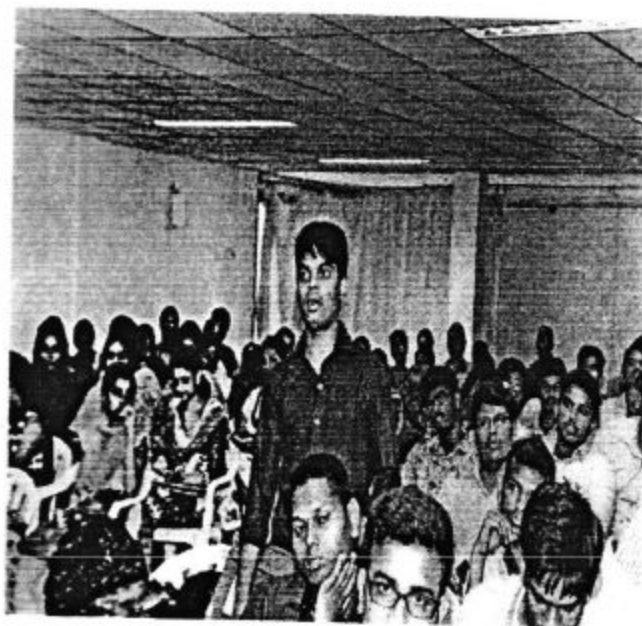

Date of implementation : 25-10-2021 to 27-10-2021

Number of Students Enrolled : 200

Conducted by : Logik Works

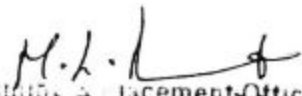

Teaching methods : Presentation, Group discussion, Video tutorials, writing etc.

Logik Works wants to help bridge the gap in what students learn and what skills they need, especially in engineering. We aim to make learning practical and useful, so students can succeed. Through our innovative programs, we want to give students and professionals the skills they need for today's competitive world.

Training programs enhance graduates' employability by providing them with practical skills and hands-on experience that complement their theoretical knowledge, bridging the gap between academic learning and real-world applications.

- The holistic approach of training programs, combining theory with practical skills, significantly contributes to graduates' employability.
- Bridging the gap between academic theories and practical applications is a key objective of these training initiatives.
- Graduates equipped with both theoretical knowledge and practical skills are more versatile in professional settings.
- The intentional blend of hands-on experience with theoretical foundations ensures that graduates are adaptable and resourceful.
- The enhanced employability of graduates is a testament to the success of these programs in preparing students for the workforce.

Department of Training and Placement

Campus recruitment training program

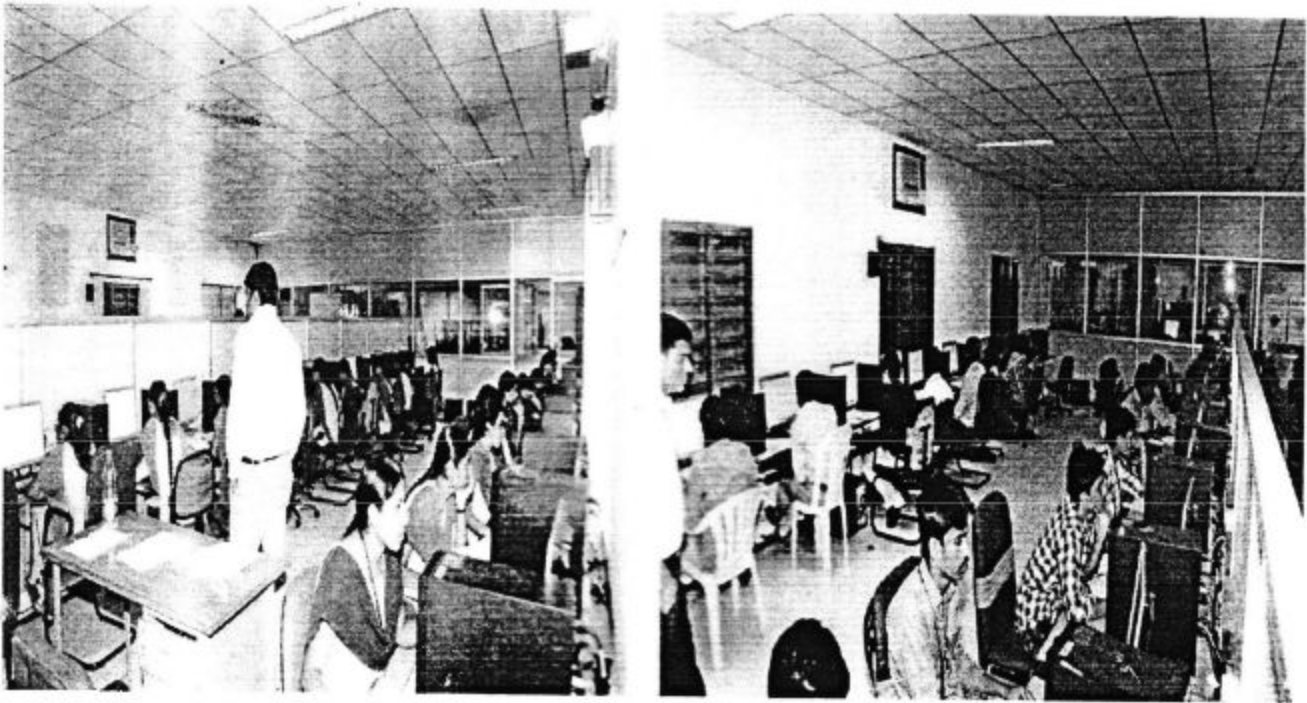

Date of implementation : 25-01-2022 to 28-01-2022

Number of Students Enrolled : ~~300~~ 163

Conducted by : Cocubes

Program: Cocubes Pre-Assessment

CoCubes is an employability assessment meticulously designed for Final Year Engineering and MBA candidates, conducted nationwide in a monitored setting. This assessment delivers valuable insights into employability and presents job opportunities to students across India, encompassing various job roles.

Equipping students with practical skills and hands-on experience, training programs enhance their theoretical knowledge, closing the gap between academic learning and real-world applications, and ultimately making graduates more employable.

- The integration of practical skills and hands-on experience into the curriculum enhances students' understanding of theoretical concepts.
- By closing the gap between academia and the practical demands of the industry, these programs significantly contribute to graduates' readiness for employment.
- The complementary nature of theoretical knowledge and practical skills ensures that graduates are well-rounded professionals.
- The closing of the gap between academic learning and real-world applications is a strategic focus of these training programs.
- Graduates emerge from these programs not only with academic achievements but also with practical competence, enhancing their employability.

Campus recruitment training program

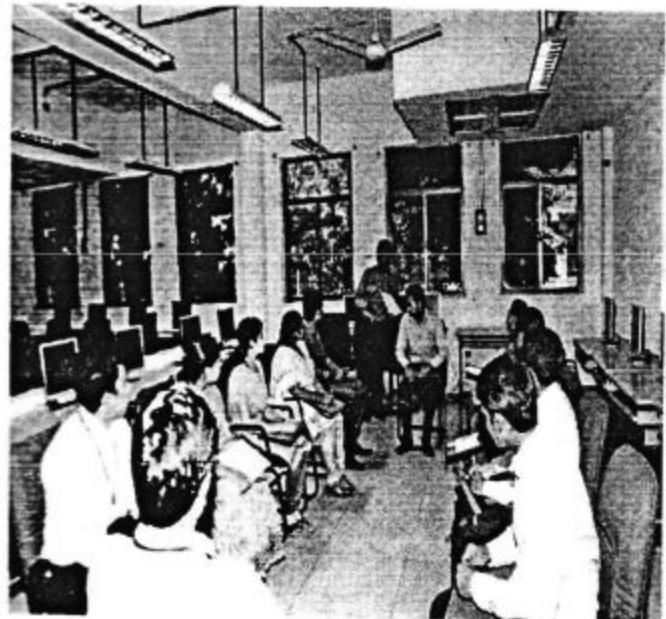

Date of implementation : 27-02-2022

Number of Students Enrolled : ~~300~~ 328

Conducted by : Cocubes

Program: Cocubes Pre-Assessment

CoCubes is an employability assessment meticulously designed for Final Year Engineering and MBA candidates, conducted nationwide in a monitored setting. This assessment delivers valuable insights into employability and presents job opportunities to students across India, encompassing various job roles.

The practical skills and hands-on experience offered by training programs complement students' theoretical knowledge, closing the gap between academic learning and real-world applications, enhancing graduates' employability.

- The addition of practical skills and hands-on experience enriches students' overall learning experience, creating a comprehensive skill set.
- Closing the gap between theory and real-world applications ensures that graduates are better prepared for the challenges of their professions.
- The enhancement of employability is a direct result of the practical and theoretical balance achieved in these training programs.
- Graduates are not only well-versed in academic theories but also adept at applying their knowledge to practical scenarios.
- The practical enrichment provided by these programs is a significant factor in graduates' success in the workforce.

Sir C R Reddy college of Engineering

Department of Training and Placement

Campus recruitment training program

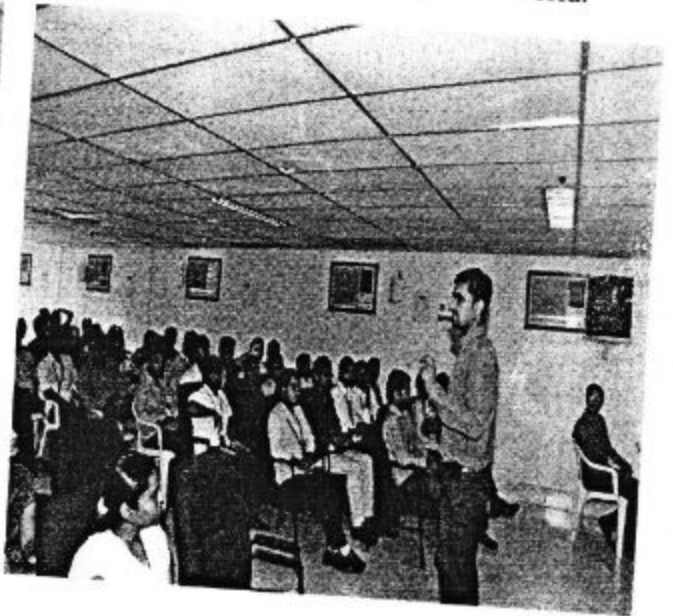

Date of implementation : 07-03-2022 to 16-03-2022

Number of Students Enrolled : 350

Conducted by : Logik Works

Teaching methods : Presentation, Group discussion, Video tutorials, writing etc.

Logik Works wants to help bridge the gap in what students learn and what skills they need, especially in engineering. We aim to make learning practical and useful, so students can succeed. Through our innovative programs, we want to give students and professionals the skills they need for today's competitive world.

Bridging the gap between academic learning and real-world applications, training programs equip students with practical skills and hands-on experience, making graduates more employable.

- Training programs play a pivotal role in connecting academic learning to the practical demands of real-world scenarios.
- Equipping students with hands-on experience is a deliberate strategy to prepare them for the challenges they will face in their careers.
- Bridging the gap between theory and application is a central focus, ensuring graduates enter the workforce with a well-rounded skill set.
- The employability of graduates is significantly heightened by the practical exposure provided through these training programs.
- Graduates emerge with the confidence and competence to navigate professional challenges successfully.

COCUBES ONLINE EXAM RESCHEDULED

This is to inform to all the IV/IV B.E/B.Tech Co-cubes registered students that, Co-cubes **Pre Assessment test-2 at our college is rescheduled.**

Below is summary of the Slots:-

S.no	Date	Slot Timings	Branches Included	Venue
1	12-04-2022	09:30AM to 12:00PM	ECE,MECH&IT	CSE Labs
2	12-04-2022	12:00PM to 02:30PM	CSE,CIVIL&EEE	CSE Labs

Note: This test is mandatory for upcoming campus drives which conducted by Co-cubes. Students are required to come to the venue on time with their co-cubes user name & password.

The duration of the Pre-Assess will be **two hours twenty seven minutes:**

- Aptitude – 45 minutes
- Computer Fundamentals – 15 minutes
- WET (Written English Test) – 25 minutes
- Domain – 20 minutes
- Psychometric – 12 minutes
- Coding – 30 minutes

Please find the below syllabus for the tests:

Aptitude Test (45 minutes)

- **Analytical Reasoning:** Visual Reasoning, Statement & Conclusions, Relationships, Logical Reasoning, Attention to Details, Flowcharts etc
- **Numerical Ability :** Concepts of mathematics including Time & Work, Speed & Distance, Algebra, Equations, Progressions, Profit & Loss, Ratios, Averages, Geometry, Data Interpretation
- **English Usage :** Reading Comprehension ; Grammar including Articles , Prepositions, Sentence Correction, Speech, Tenses, Verbal Ability including Synonyms, Antonym, Spellings, Idioms and Phrases

Computer Fundamentals (15 minutes)

Basics of C/C++/OOPS - beginner level understanding of how to program in C or C++, basic syntax of these languages, theoretical knowledge about how these languages work
Basics of Data Structures – Beginner level understanding of data structures about fundamental types of structures such as trees, various methods of sortings etc
General topics in computing fundamentals to test knowledge about software, hardware, binary/decimal/hexadecimal conversions, everyday encounters with computers

Domain Test (20 minutes)

Civil : RCC Design, Theory of Design & Structures, Soil Mechanics & Foundation, Construction Scheduling, Water Resource Engineering / Hydrology, Geotechnical Engineering
Electrical : Electrical Machines, EMMI, Network Analysis and Synthesis, Control Systems, Digital Electronics, Power Electronics, Power System and Instrumentation, Microcontroller and Microprocessor

Mechanical : Thermodynamics, IC Engines and Compressors, Theory of Machine, Engineering Material / Meteorology, SOM, Fluid Mechanics

Electronics: Electronic Devices & EMMI, Network Analysis and Synthesis, Microprocessor & Microcontrollers, Digital Electronics, Communication System, Electronic Circuits, Control System

Computer Science: C, C++, OOPS Concepts, Data Structures, DBMS concepts, Operating System Concepts, Design and Analysis of Algorithms, Networking Concepts, Computer Architecture

Psychometric (12 minutes)

Behavioral profiling based on commonly known personality traits

Coding Test (30 minutes)

Writing codes to solve a set of problems in language of choice: C, C++, C#, Java

WET (Written English Test) (25 minutes)

To test the English writing skills of students.(ex-E-Mail writing, passage writing, pictorial writing etc.,)

Campus recruitment training program

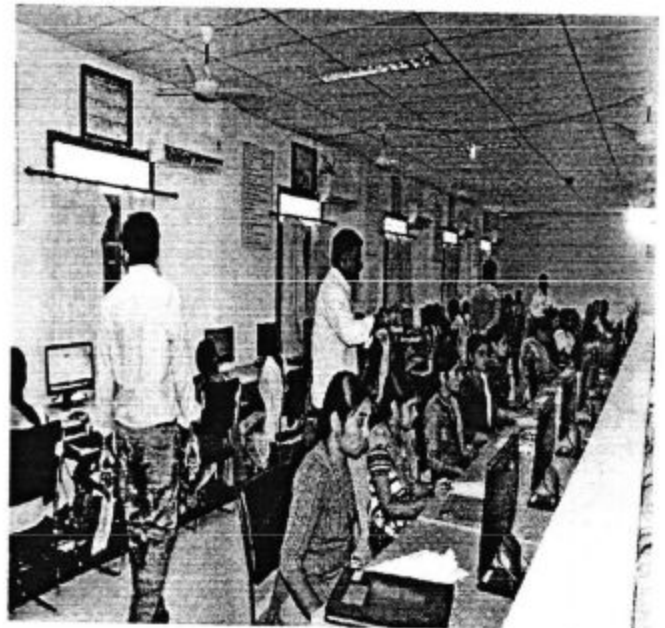

Date of implementation : 12-04-2022

Number of Students Enrolled : 300

Conducted by : Cocubes

Program: Cocubes Pre-Assessment

CoCubes is an employability assessment meticulously designed for Final Year Engineering and MBA candidates, conducted nationwide in a monitored setting. This assessment delivers valuable insights into employability and presents job opportunities to students across India, encompassing various job roles.

Training programs enhance graduates' employability by aligning practical skills and hands-on experience with their theoretical knowledge, bridging the gap between academic learning and real-world applications.

- The intentional alignment of practical skills with theoretical knowledge is a key feature of these training programs.
- Bridging the gap between academic theory and practical applications ensures that graduates are well-equipped for the complexities of their professions.
- The enhancement of employability is a natural outcome of this strategic integration of theoretical and practical elements.
- Graduates emerge from these programs with a seamless understanding of how their academic knowledge applies to real-world situations.
- The direct correlation between practical exposure and increased employability showcases the effectiveness of these training initiatives.

Training & Placement Officer
 Sir C.R.Reddy College of Engineering
 Vatluru, ELURU-534 007.

Sir C R Reddy college of Engineering

Department of Training and Placement

Campus recruitment training program

Date of implementation : 09-05-2022 to 18-05-2022

Number of Students Enrolled : 350

Conducted by : Logik Works

Teaching methods : Presentation, Group discussion, Video tutorials, writing etc.

Logik Works wants to help bridge the gap in what students learn and what skills they need, especially in engineering. We aim to make learning practical and useful, so students can succeed. Through our innovative programs, we want to give students and professionals the skills they need for today's competitive world.

Equipping students with practical skills and hands-on experience, training programs align with industry standards and current technologies, exposing them to the latest trends and advancements in their field, ultimately preparing graduates for the demands of the industry.

- ❖ Aligning with industry standards and current technologies ensures that students are prepared for the dynamic nature of their respective fields.
- ❖ Exposure to the latest trends and advancements through these programs ensures that graduates are at the forefront of industry developments.
- ❖ The intentional alignment with industry standards is a proactive approach to meeting the evolving demands of the professional landscape.
- ❖ By staying abreast of the latest trends, graduates from these programs enter the workforce with a contemporary and relevant skill set.
- ❖ The industry-ready preparation provided by these programs ensures that graduates are well-prepared to meet the demands and challenges of their chosen fields.
