NOTICE

We're pleased to announce that the Civil Engineering Students of Sir C R Reddy College of Engineering in the II/IV B.E. are coordinating a charity event on Republic Day 2019 at Nischinta Old Age Home in Eluru. This event is aimed at bringing joy and support to the elderly residents of the home. We warmly invite all students and staff to join us in contributing to this worthy cause. Your participation will be instrumental in making this event a success. Thank you kindly for your support.

Warm regards,

Venue:

Nischinta Old Age Home in Eluru.

Time: 10:30 AM to 03:00 PM

HOD-CIVIL

**Head of the Department
Civil Engineering**

**Sir C.R.R. College of Engineering
ELURU-534007. W G Dist.**

Title: Spreading Joy and Warmth: Charity Event at Nischinta Old Age Home on Republic Day (26-01-2019)

Introduction:

On the occasion of Republic Day, the II/IV B.Tech students of the Civil Engineering Branch at Sir C R Reddy College of Engineering organized a heartfelt charity event at Nischinta Old Age Home in Eluru. This event aimed to commemorate the spirit of the Republic by extending support and companionship to the elderly residents of the home. The students generously donated cooking vessels and arranged a special lunch for the residents, fostering a sense of community and respect for the elderly.

Donations:

The highlight of the charity event was the thoughtful donation of cooking vessels by the II/IV B.Tech students. Recognizing the importance of maintaining a well-equipped kitchen for preparing nutritious meals, especially in a care facility like Nischinta Old Age Home, the students chose to contribute cooking vessels to the home. This donation aimed to facilitate the cooking process and ensure that the residents receive delicious and wholesome meals every day.

The donation of cooking vessels reflects the students' commitment to enhancing the quality of life for the elderly residents. By addressing the practical needs of the home, the students demonstrated their empathy and compassion towards the aging population.

Lunch Arrangements:

In addition to the donation of cooking vessels, the II/IV B.Tech students also organized a special lunch for the residents of Nischinta Old Age Home. Collaborating with local caterers and volunteers, the students arranged a nutritious and flavourful meal for the residents to enjoy on Republic Day.

The lunch not only provided nourishment but also served as a gesture of appreciation and respect for the elderly residents. It created an atmosphere of warmth and companionship, allowing the residents to celebrate Republic Day with dignity and joy.

Impact:

The charity event organized by the II/IV B.Tech students left a lasting impact on both the residents of Nischinta Old Age Home and the organizing students themselves. For the residents, the donation of cooking vessels and the special lunch provided a sense of comfort and belonging, reaffirming their value and importance in society.

For the organizing students, the event was a meaningful opportunity to connect with the elderly community and make a positive difference in their lives. It instilled in them a sense of empathy and responsibility towards the elderly population, inspiring them to continue serving their community with compassion and dedication.

Conclusion:

In conclusion, the charity event organized by the II/IV B.Tech students of the Civil Engineering Branch at Sir C R Reddy College of Engineering on Republic Day was a testament to the power of kindness and solidarity. Through their donation of cooking vessels and arrangement of a special lunch, the students demonstrated their commitment to honoring and supporting the elderly residents of Nischinta Old Age Home. Such initiatives serve as shining examples of how small acts of generosity can bring joy and comfort to those in need, fostering a more caring and compassionate society.
