CIRCULAR

Rc.No.D1/840/2021

Dt.07.12.2021

Sub: SWD – Post Matric Scholarship for SC students for 2021-22 academic year Government of India released its share of the fee and maintenance charges directly to accounts of mothers of eligible students – Intimation – Regarding.

Ref: Revised guidelines of the post matric scholarship scheme for SCs for 2021-22.

It is to inform that Government of India revised guidelines of the Post Matric Scholarship Scheme for SC students from 2021-22. Government of India shares expenditure to the extent of 60% of the tuition fee and 60% of the maintenance charges (academic allowance) as fixed by the Government of India. The maintenance charges (academic allowance) fixed by Government of India are very less, compared to the Jagananna Vasathi Deevena rates of the state government. Hence, in effect, the share of Government of India on the two schemes of Jagananna Vidya Deevena and Jagananna Vasathi Deevena put together will be 40% on the whole, with the remaining 60% being borne by the state government.

Based on renewal applications of SC students filed in jnanabhumi for 2021-22, eligible applications are identified (i.e those applications where students underwent bio metric authentication, completed OTA of the Principal and found eligible in the latest six step validation done at the state level). Such eligible applications were recommended to the Government of India for 2021-22 in first phase. Balance applications including those of fresh students will be verified and recommended in the second phase.

Out of applications recommended in first phase, Government of India released its 60% share directly to the accounts of the mothers of the students on Dec 6, 2021 for 90,921 students. The state share for these students will be released in due course as per the schedule to be fixed by the government for 2021-22 academic year.

Hence, it is requested to inform the SC students, to whose mother accounts the amounts were credited by the Ministry of Social Justice & Empowerment, Government

of India, that they shall pay the fee to the college within seven days for the academic year 2021-22.

A report will also be displayed shortly in the logins of the Colleges indicating the names of students to whom the Government of India released the amounts on Dec 6, 2021, so that they can also follow up with the students concerned for payment of the fee to that extent.
