Dear Satish Bommireddi,  
B.Tech, Electronics & Communication Engineering  
Sir CR Reddy College of Engineering, Eluru

Candidate ID – 17785784

Thank you for exploring career opportunities with **Cognizant Technology Solutions India Private Limited ("Cognizant")**. You have successfully cleared our initial selection process and we are pleased to make you an offer of employment. This offer is based on your profile and performance in the selection process.

You have been selected for the position of **Programmer Analyst Trainee**

During your probation period of 12 months, which includes your training program, you will be entitled to an Annual Total Remuneration (ATR) of INR 401,988/-. This includes an annual target incentive of INR 22,500 /- as well as Cognizant's contribution of INR 19,500/- towards benefits such as Medical, Accident and Life Insurance. The incentive amount may vary, depending on Cognizant's performance and your performance. The other details about your compensation are detailed in **Compensation and Benefits**. Your compensation is highly confidential and if the need arises, you may discuss it only with your Manager.

On successful completion of the probation period, clearing the required training assessments and subject to you being part of a delivery project, your Annual Total Remuneration (ATR) would stand revised to INR Rs. 450,500/-. This includes an annual target incentive of INR 22,500/- as well as Cognizant's contribution towards benefits such as Medical, Accident and Life Insurance, as applicable.

Your appointment will be governed by the terms and conditions of employment as presented in **Employment Agreement**. You will also be governed by the other rules, regulations and practices in vogue and those that may change from time to time. Your compensation is highly confidential and if the need arises, you may discuss it only with your Manager.

Please note:

1. This appointment is subject to satisfactory background verification including professional reference checks and you securing a minimum of 60% aggregate (all subjects taken into consideration) with no standing arrears in your Graduation/Post-Graduation.

This offer from Cognizant is valid for 3 months and hence you are expected to accept or decline the offer through the company's online portal within this time-period. In case we do not receive any response from you within this time-period, this Offer shall stand withdrawn and will be considered as void. Any extension to the offer validity will be at the sole discretion of Cognizant

2. Prior to commencing employment with Cognizant you must provide Cognizant with evidence of your right to work in India and other such documents as Cognizant may request.

3. Prior to joining Cognizant, you must successfully complete the prescribed Internship or Continuous Skill Development (CSD) program as detailed below:

At Cognizant, we invest in skill and capability development of our campus selects even before they join us. This is through Cognizant Internship and Continuous Skill Development (CSD) program. These programs focuses primarily on technical skills development. You could enroll in either of these as per your college processes while in the final semester and continue with skill building until you join Cognizant. This forms a critical part of your employment with Cognizant. Your onboarding with Cognizant would be prioritized

based on the successful completion of same. In event of non-completion of the Internship or Continuous Skill Development program, Cognizant may at its sole discretion revoke this offer of employment.

### 3.1 Cognizant Internship:

- a) Cognizant Internship is for approximately 3 to 6 months based on business skilling requirements. The performance during Internship would be monitored through formal evaluations and rewarded with monthly stipend. The stipend details would be notified upon your registration for Internship.
- b) Interns are covered under Cognizant's calendar holidays and need to adhere with attendance requirements and pre-approvals are to be sought towards unavoidable leave or break requests from the program.

### 3.2 Continuous Skill Development (CSD) Program:

- a) CSD program is offered through a platform based engagement model combined with integrated skill assessment and certifications as the CSD program completion criteria. Upon meeting the completion criteria of the CSD program, enrolled candidates would be eligible for a one-time Cognizant CSD rewards post joining Cognizant. The Cognizant CSD reward details would be provided after your enrollment into the program.
- b) There would be zero tolerance to malpractices and misconduct during Internship and CSD engagement. Any such misconduct would lead to appropriate disciplinary action including the revocation of this employment offer. Cognizant reserves clauses regarding IT infrastructure, if applicable and access to information and material of Cognizant during the period and could modify or amend the Cognizant Internship and CSD program terms and conditions from time to time.

### 3.3 GenC Training Post joining:

- a) Cognizant continues to invest in skill building of the entry-level talent and GenC training is a formal on-the-job training offered to trainees based on the business specific skilling needs. The terms and conditions of this training will be governed by Cognizant GenC program guidelines.
- b) The Cognizant Internship or the Continuous Skill Development (CSD) completion may qualify as the entry criteria to the GenC training and is used as basis towards your allocation to projects/roles.

We look forward to you joining us. Should you have any further questions or clarifications, please log into <https://campus2Cognizant.cognizant.com>

Yours sincerely,

For Cognizant Technology Solutions India Pvt. Ltd.

### Letter of Intent ("LOI")

Dear Niharika Burada,

With reference to your interview conducted by us, we are pleased to inform that you have been shortlisted for the position of **Analyst and A4** with **Capgemini Technology Services India Limited.**, (hereinafter referred to as "Capgemini").

In this regard, we are proposing compensation package and benefits, the details of which are set forth in **Annexure 1** to this letter.

The final Employment Offer Letter shall be subject to your successful completion of all curricular requirements as laid down by the University/ Institute for award of the degree/ diploma and the minimum passing percentage/ grade/ rank/ class as determined by Capgemini.

The location of your initial reporting and training and the date of your joining would be communicated to you in due course of time post successful completion of your pre-joining trainings and final semester degree/ diploma examination.

The date of joining and the location of posting will be purely based on business requirements of Capgemini. Capgemini solely reserves the right to make any changes to the date of joining and the location of posting during the course of your training and employment with Capgemini.

Upon accepting this LoI, you will be provided access to the ADAPT (Accelerated Digital Aid for Pre-onboarding Talent) eLearning platform which allows you to learn and master the concepts and skills required to be industry ready. The learning will be a self-paced journey inclusive of assignments, assessments and webinars as deemed appropriate by Capgemini and the successful completion of the same is a prerequisite for joining Capgemini.

It is very essential that you effectively leverage this platform to complete the courses and clear

the assignments and assessments. The progress made by you in this learning journey would not only help you in getting on-boarded on priority but also help you to be trained for advanced skills relevant to your career at Capgemini. We also encourage you to learn beyond the prescribed course curriculum and acquire industry recognized certifications to accelerate your career in this competitive industry.

Upon joining Capgemini,

1. You are expected to enter into an employment agreement with Capgemini which shall contain details including the scope, terms and conditions of your employment and the contractual obligation with Capgemini.
2. You will be on probation for a period of six months from your date of joining and subject to satisfactory performance your employment will be confirmed (vide written confirmation) at the end of six months.
3. During your probation you may be required to undergo classroom trainings for such duration as deemed necessary by Capgemini and your performance will be evaluated periodically during such training period

Capgemini reserves the right to decide the continuance of your further training and your employment depending on your performance in its opinion.

The terms of this Letter of Intent shall remain confidential and are not to be disclosed to any third party.

You may note that this letter should neither be construed as an offer of employment from Capgemini nor should it in any manner confirm our intent to make you an offer of employment. We may, at any time, at our discretion, revoke this Letter of Intent.

We would request you to go through the above terms, and let us know if they are acceptable to you, within seven days of the issuance of this letter.

We look forward to hearing from you. Should you have any query, please do not hesitate to contact [fresherhiring.in@capgemini.com](mailto:fresherhiring.in@capgemini.com)

Thanking you,  
Yours Sincerely,

**For & On Behalf of Capgemini**

Dear Sai Koushik,

Congratulations! On behalf of DePaul University's College of Computing and Digital Media (CDM) faculty and staff, it is my pleasure to welcome you as a Master's Degree candidate in the Data Science program for the Summer 2022 quarter. This is your first step in becoming part of an ever-growing network of highly talented and respected professionals in Chicago, the Midwest and around the world.

In addition, I am pleased to offer you the **Graduate Presidential Scholarship** in the total amount of **\$6,000** disbursed over six quarters of continuous, full-time enrollment (excluding summer quarter). Please note that if your first quarter of enrollment will be the summer term, the scholarship will disburse beginning in your first fall quarter. Please click [here](#) to read and submit our scholarship terms and conditions.

Please note your DePaul ID Number is **2111776**; you will need this number as you conduct university business.

We look forward to your acceptance of admission and intent to enroll at DePaul University. CDM must receive and process your form before you will be permitted to register for courses. Please complete the [Intent to Enroll form](#) to reply to your offer of admission as soon as possible.

Once again, on behalf of our faculty and staff, I congratulate you on your admission and look forward to you joining our highly talented and skilled student body. The benefits of the entire university are open to you and I encourage you to take full advantage of them.

Sincerely,

Ann Hurley, MA

## Introductory Course Information

February 25, 2022

Sai Koushik Potupureddi,

All incoming Data Science graduate students are required to complete a series of Introductory Courses. Below is the list of Introductory Courses for the Master of Science in Data Science degree plan beginning fall quarter 2021:

- IT 403: Statistics and Data Analysis
- CSC 412: Tools and Techniques for Computational Analysis
- CSC 401: Introduction to Programming

One or more Introductory Courses may be waived based on completion of equivalent academic course work.

This change was made to acknowledge the now widely accepted term "data science" and its prominence in our degree programs. When the MS in Predictive Analytics was first created in 2010, it was one of the first comprehensive data science Masters degrees in the United States. Although the phrase "data science" was not commonly used at the time, the MSPA degree curriculum was designed to incorporate the various elements that characterize data science as a discipline. The degree brought together aspects of computer science, machine learning, AI, mathematics and data management in a cohesive program designed to prepare students with advanced technical, computational, and quantitative skills to develop data driven solutions to important problems. We believe that the new name of the degree better reflects the technical and computational skills in data sciences that we teach, and is more widely recognized in industry.

Upon submission of the Intent to Enroll form, which can be completed at [grad.depaul.edu/apply/status](https://grad.depaul.edu/apply/status) admissions will initiate the process to have your transcripts reviewed for course equivalency and approval for Introductory Course waivers. You will be notified if you have previous

coursework that is acceptable for waivers.

If you feel you have sufficient knowledge in one or more of the introductory courses indicated above that is not waived, you may consider applying to take a Graduate Assessment Exam (GAE). We encourage you to review a description of material covered in each course at [cdm.depaul.edu/gae](http://cdm.depaul.edu/gae) prior to registering to take a GAE. Otherwise, it is your responsibility to enroll in and pass the introductory course with the grade required by your degree program.

Please note: These are the introductory courses required in the 2021-2022 academic year. Updated course requirements can be found at <http://www.cdm.depaul.edu/academics>. DePaul University College of Computing and Digital Media is on a rolling admission basis and introductory courses could change before you begin your first quarter.

Dear Ambica,

Your application for admission to Graduate School has been reviewed. I am pleased to inform you that you have been admitted to the Computer Science program effective for the Fall 2022 semester.

Your admission status in this program is Full Standing. Please refer to our website [here](#) for more information about your admission level. In order for your admission to remain valid, you must enroll and complete at least one course as a graduate student within one calendar year of the effective semester of admission. Please note: Any transcripts or test scores used to evaluate you for admission were considered unofficial if uploaded along with your application. You will be required to submit official transcripts from schools where you obtained a degree and, *if applicable*, any school where you have taken graduate credit. You will also need to send official test scores to WSU. These items will be due by the 20th day of class for the semester you are admitted.

- It is important to contact your advisor as necessary regarding course selection, program requirements, and admission status. You have been assigned **Sourabh Bose, PhD** as your advisor. You can reach your advisor at [sourabh.bose@wichita.edu](mailto:sourabh.bose@wichita.edu) or 316-978-3156.
- Although you should meet regularly with your advisor, as a graduate student, you will be expected to take responsibility for your individual program of study. You will find the Graduate Catalog to be an important source of information in this regard. In order to assist with your progress toward earning your degree, I encourage you to refer to the Graduate Catalog online at [www.wichita.edu/catalog](http://www.wichita.edu/catalog).
- You have been classified as a International Non-Resident for tuition purposes. If this information is incorrect, please contact the Registrar's Office at 316-978-3672, or visit their website at [www.wichita.edu/residency](http://www.wichita.edu/residency). Please note: Online programs are resident neutral for tuition purposes.

Your student identification number is called your myWSU ID. Your myWSU ID is X338B548. Activate it by going to [MyWSU](#), your student portal. You will then be able to log into the myWSU portal, where you can enroll in courses, access your WSU email account, pay tuition/fees, and view your financial aid award status. Welcome to your new program!

Sincerely,

Dear Mr. Gunturu,

Congratulations! On behalf of the faculty of the Seidenberg School of Computer Science and Information Systems, I am pleased to inform you that you have been accepted to the MS in Information Systems program for the Fall 2022 semester through our International Access Program (IAP). This program will provide dedicated student support services and academic planning that will ensure your success.

At Pace University, we are particularly proud of the emphasis our faculty places on teaching excellence, our small class sizes, and the extensive support services available for our students. We are confident that you will find your Pace experience rewarding.

Newly admitted students are required to submit a deposit of \$200 in order to reserve a place in the class. Submit your non-refundable deposit online by August 1, 2022 for the Fall 2022 semester. This deposit will be applied toward your Fall 2022 tuition. To ensure a seamless onboarding, we also encourage you to review your Next Steps tab for additional instructions as you prepare to join the Pace community.

Please check your Application Dashboard page to confirm that Pace University has received all required official credentials. You will not be permitted to register beyond your initial semester of enrollment unless we receive the missing documents.

Please note that you must meet with an academic advisor before registration. You may contact the Seidenberg School of Computer Science and Information Systems at [seidenberginquiry@pace.edu](mailto:seidenberginquiry@pace.edu) or (212) 346-1687 where you will be advised of degree requirements, prerequisites, and your course schedule.

## DECISION LETTER

September 26, 2023

001072432

Dear REVIKA,

**Congratulations!** I am pleased to offer your admission to George Mason University for the Master of Science in Computer Science for the Spring 2023 semester. You were selected from a competitive applicant pool, and we are impressed with your academic achievements and personal successes. You should be very proud of all you have accomplished.

By choosing George Mason University to pursue an advanced degree, you will make a great investment in yourself. As an original Research 1 and public university in the Commonwealth of Virginia, we are proud to be one of the most diverse colleges in the United States and support individuals on their graduate journey at an affordable cost. Mason's Graduate Enrollment Support is committed to enable you to achieve your personal and career goals by supporting advanced learning, research and scholarly study, including professional development, and providing wrap-around as you progress through and complete your degree. Start your Mason journey today and **confirm your intent to enroll!**

Your final decision must be **OUT OF STATE** (International for F or J1 visa). If you would like to apply for an international confirmation, please complete the application within the next thirty days, but no later than the first day of classes for the semester which you are admitted. If you have questions, please reference our website or email.

For domestic students earned baccalaureate degree from a regionally accredited institution of higher education or international students, verification of official transcripts is a requirement for all graduate students. You will need to submit your undergraduate transcripts as well as graduate degree transcripts prior to the last day to drop courses in your first semester. For international students, please review your requirements. Failure to submit your official transcripts will result in your admission being rescinded and courses being dropped.

On behalf of President Winkovits, the faculty and students, we congratulate you. Your Mason story starts today and we cannot wait to see how you will make your mark as a Mason Patriot!

A handwritten signature in black ink that reads "Alan Boyd".

Dear Lavanya Senaga:

Congratulations! You have been accepted for provisional admission to the Master of Science: Applied Computer Science (MS) program in the Fall 2022 semester. Your admission was based on our evaluation of your unofficial transcripts. You are still required to send your official college/university transcripts and degree certificates to the Office of International Education and Services no later than July 1. If you were admitted to SEMO before you received your final transcripts/degree certificate, you must mail to our office the official transcripts which you sent electronically as well as your official final transcripts/degree certificates by the deadline listed above. You must submit the below documents to the Office of Admissions by the end of the Fall 2022 semester and/or meet the following criteria by your advisor's deadline.

Final College Transcript

Your Southeast ID number is S02042814. Please refer to our online Arrival Guide at <https://semo.edu/international/new.html> for information about the following topics: your student visa, travel arrangements, orientation, housing options, health insurance, course enrollment and transfer credit. Note that any missing official education documents (i.e. graduation confirmation, final university transcripts) must be submitted before enrolling in classes.

To register for courses or to learn more about the requirements of your program, please contact your Graduate Program Coordinator Dr Reshmi Mitra at 573-651-2920 or [rmitra@semo.edu](mailto:rmitra@semo.edu). Your academic advisor will be assigned by your department at a later date. Please read the "Graduate Bulletin" at <https://semo.edu/grad/bulletin.html> for curriculum information and any additional admission requirements for your program of study, as well as Graduate School and University regulations.

If you are currently attending another US institution on F1 status, please present this letter to your current school to request your current SEVIS record be transferred to Southeast Missouri State University (KAN214F10266000). No transfer-in form is required. Once your record is released, your updated I-20 will be available for pickup. When selecting a transfer date, please note that OPT status or EAD work permission ends effective with the release date of your SEVIS record.

If you are currently attending Southeast, your I-20 will be updated accordingly. Students currently on OPT through Southeast must contact the International Office before any updates will be made.

**Please refer to the following dates when making your travel arrangements:**

#### INSTRUCTIONS TO STUDENTS

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

#### INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Form I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Dear Katepalli,

Congratulations on your admission to Portland State's Computer Science, MS program for the Spring 2022 term. We are thrilled to welcome you to graduate school at Oregon's most diverse, innovative and affordable research university.

This letter is your official notification of admission into graduate school and also provides you with important details that you will use during your academic career.

You are being admitted with the department condition that you enroll in the Intensive English Language Program's (IELP) LING 457: Writing Workshop for Multilingual Graduate Students (2 credits) during your first term, in addition to Computer Science courses. Please contact the IELP ([esl@pdx.edu](mailto:esl@pdx.edu)) for more information. Details can be found at <https://www.pdx.edu/english-language-programs/graduate-esl-pathway-program>.

Verification that minimum university admissions requirements are met will be confirmed after official transcripts are received and processed. (You are not required to submit transcripts from Portland State.) Please note that you may not register for classes beyond your first term until they are received and final verification has been completed. If you haven't submitted these yet, you will receive an email soon confirming which official documents must be submitted.

It is important that you enroll in the Spring 2022 quarter to which you have been admitted. If you do not register for at least one class, your admission will be canceled. If you need to change your enrollment plans, please contact your program to identify next steps.

Check off additional next steps, like activating your PSU ODIN account, applying for financial aid, and health insurance, using our [checklist for admitted students!](#)

Listed below is important information based on your application. If any of the information is inaccurate, please contact Admissions in the Graduate School.

9-Digit PSU Student ID: 966106582

Admit Term: Spring 2022  
Major: Computer Science, MS  
Residency Status: Non-resident

To inquire about next steps, please contact the Computer Science, MS program at [gccs@pdx.edu](mailto:gccs@pdx.edu).

On behalf of our entire academic community, we welcome you to Portland State and we wish you academic success.

Sincerely,

A handwritten signature in cursive script that reads "Rossitza B. Wooster".

## Overall Band Score

Overall	Score	Competent User	The test taker has an effective command of the language despite some inaccuracies, inappropriate usage and misunderstandings. They can use and understand fairly complex language, particularly in familiar situations.
Test	Score	Your result explained	Advice to improve your score Listen to current affairs and documentary programmes, or online talks, without pausing or repeating the recording. Try to remember as much as you can, including new words, main ideas, specific points, and their relationship to each other. Afterward, reconstruct what you've heard. How much are you able to reconstruct? Listen more and try to increase the amount that you can reconstruct. When speakers don't directly say what they mean, we use strategies to guess their meaning. What are some of these strategies that you use in your own language? Use the same strategies to understand them in English.
Listening	7.0	<p>Test takers at Band 7 can typically follow extended speech and understand detailed instructions to complete tasks, including some involving complex ideas. They can identify ideas, attitudes, opinions or purposes which are implied by the speaker but not directly stated. They can easily understand meaning, including references within and between sentences, without having to process individual words and structures. They can understand a wide range of vocabulary, including some idiomatic, technical, and academic language, even when the language and ideas are complex.</p>	At this level, it is important to broaden the range of texts you read further. Continue to develop your awareness of how to read different types of texts differently. What features does that particular type of text typically have? How is information structured and arranged in such texts? Will it require making inferences? Will there be a summary somewhere? Use your knowledge of these and approach the reading task in an appropriate way. Where you want to know the overall argument or specific arguments, try to do this as efficiently as possible. As an exercise, try to find several opinion-based texts on the internet, and then determine the similarities and differences in their opinions and views.
Reading	7.0	<p>Test takers at Band 7 can typically deal with a variety of factual and opinion-based texts that may be complex and dense with information. They are very good at using their wide vocabulary knowledge to create meaning, both within and across sentences, on a range of general and specialised topics. They can follow an argument and distinguish between main ideas and supporting details, and are good at understanding attitude, opinion and implication. They are able to do this by using reading strategies such as skimming and scanning, and by synthesizing information and drawing inferences.</p>	
Speaking	6.0	<p>Test takers at this band can typically speak at length, although they are sometimes less clear or fluent because of repetition, self-correction, or hesitation to search for words or grammar. Speaking is generally well-organised, and ideas are generally well linked, but with some errors. They have enough vocabulary to discuss topics clearly and at length, although there are often errors, and they can usually paraphrase well. They can use simple and complex grammar structures but with limited range. There may be frequent grammar errors, particularly in more complex structures, but language is usually easy to understand. Pronunciation can be clear and effective, but there may be problems. They are usually easy to understand, although words may be unclear at times.</p>	Talk to other English speakers about more abstract topics or more difficult current topics. Keep the discussion going for as long as possible. At the same time, try to express your ideas as accurately as you can, using the best words you know. Many of your ideas will also require the use of complex grammatical structures. If you're using several simple sentences, try to join them up in a way that makes your point clearer. Listen (and read) in English more to help you pick up natural and idiomatic phrases. When listening, note the rhythm and also the words that the speaker stresses. Is your rhythm similar? Are you putting the stress on the right words?

Writing	6.5	<p>Test takers at this band can typically address all parts of the question, some more fully than others. (AC) They can give an overview. (GT) The letter has a generally clear purpose; the tone is sometimes not consistent. Key features and bullet points are covered. The point of view and main ideas are relevant but the conclusion(s) may be unclear. Some details might be irrelevant or wrong. Test takers can arrange their ideas logically, so that the writing has a clear progression from start to finish. They are able to use some linking words well, but others with mistakes. They can paragraph their Task 2 writing, although not always logically. They have enough vocabulary to answer the question. They try to use some less common words. They make some spelling mistakes, but the reader can still understand. They can write a mix of simple and complex sentences. The grammar and punctuation mistakes do not usually cause difficulty for the reader.</p>	<p>Practice writing to give information and make arguments. Make sure you cover all the points that need to be covered, providing supporting ideas and details. Reread your work and see if you can make your points clearer. Is the ordering of your ideas logical? Sometimes, rearranging them can make things clearer. You can also try joining up or separating sentences, using the right connecting devices, and changing where you divide your paragraphs. Continue to develop your vocabulary. Words can be similar in meaning but differ in formality, in their tone, and in their implications. Focus on learning the best words to use for the writing task, the situation, and what you want to say. Challenge yourself by producing sentences that are more complex. If you make mistakes with them, don't worry too much; just check and see how you can fix them.</p>

Listening	8.5	<p>Test takers at Band 8.5 can typically follow extended speech involving complex and detailed argumentation. They can identify and process language and grammar automatically, and so are able to concentrate on the development of the overall meaning of what is said by a speaker or speakers. They can understand a wide range of vocabulary, including idiomatic language and fixed phrases or unusual collocations, as well as technical and academic language.</p>	<p>Listen to discussion programmes, especially those on abstract topics you're less familiar with, without pausing or repeating the recording. Try to predict how the conversation might develop, then see if you're correct. Make it a point to notice how the speakers express and qualify their opinions, noting ways they say things that make their arguments particularly effective. Where speakers have different points of view, notice how they respond to one another's comments. Use strategies to infer ideas and meanings that are not directly stated. Afterwards, try to reconstruct the discussion to yourself, to check how much you have understood.</p>

#### INSTRUCTIONS TO STUDENTS

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program, F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 from the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

#### INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Form I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Form Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Dear Ambica,

Your application for admission to Graduate School has been reviewed. I am pleased to inform you that you have been admitted to the Computer Science program effective for the Fall 2022 semester.

Your admission status in this program is Full Standing. Please refer to our website [here](#) for more information about your admission level. In order for your admission to remain valid, you must enroll and complete at least one course as a graduate student within one calendar year of the effective semester of admission. Please note: Any transcripts or test scores used to evaluate you for admission were considered unofficial if uploaded along with your application. You will be required to submit official transcripts from schools where you obtained a degree and, *if applicable*, any school where you have taken graduate credit. You will also need to send official test scores to WSU. These items will be due by the 20th day of class for the semester you are admitted.

- It is important to contact your advisor as necessary regarding course selection, program requirements, and admission status. You have been assigned **Sourabh Bose, PhD** as your advisor. You can reach your advisor at [sourabh.bose@wichita.edu](mailto:sourabh.bose@wichita.edu) or 316-978-3156.
- Although you should meet regularly with your advisor, as a graduate student, you will be expected to take responsibility for your individual program of study. You will find the Graduate Catalog to be an important source of information in this regard. In order to assist with your progress toward earning your degree, I encourage you to refer to the Graduate Catalog online at [www.wichita.edu/catalog](http://www.wichita.edu/catalog).
- You have been classified as a International Non-Resident for tuition purposes. If this information is incorrect, please contact the Registrar's Office at 316-978-3672, or visit their website at [www.wichita.edu/residency](http://www.wichita.edu/residency). Please note: Online programs are resident neutral for tuition purposes.

Your student identification number is called your myWSU ID. Your myWSU ID is X338B548. Activate it by going to [MyWSU](#), your student portal. You will then be able to log into the myWSU portal, where you can enroll in courses, access your WSU email account, pay tuition/fees, and view your financial aid award status. Welcome to your new program!

Sincerely,

Dr. Coleen Pugh  
Dean of the Graduate School

Dear Lavanya Senaga:

Congratulations! You have been accepted for provisional admission to the Master of Science: Applied Computer Science (MS) program in the Fall 2022 semester. Your admission was based on our evaluation of your unofficial transcripts. You are still required to send your official college/university transcripts and degree certificates to the Office of International Education and Services no later than July 1. If you were admitted to SEMO before you received your final transcripts/degree certificate, you must mail to our office the official transcripts which you sent electronically as well as your official final transcripts/degree certificates by the deadline listed above. You must submit the below documents to the Office of Admissions by the end of the Fall 2022 semester and/or meet the following criteria by your advisor's deadline.

Final College Transcript

Your Southeast ID number is S02042814. Please refer to our online Arrival Guide at <https://semo.edu/international/new.html> for information about the following topics: your student visa, travel arrangements, orientation, housing options, health insurance, course enrollment and transfer credit. Note that any missing official education documents (i.e. graduation confirmation, final university transcripts) must be submitted before enrolling in classes.

To register for courses or to learn more about the requirements of your program, please contact your Graduate Program Coordinator Dr. Reshmi Mitra at 573-651-2920 or [mitra@semo.edu](mailto:mitra@semo.edu). Your academic advisor will be assigned by your department at a later date. Please read the "Graduate Bulletin" at <https://semo.edu/grad/bulletin.html> for curriculum information and any additional admission requirements for your program of study, as well as Graduate School and University regulations.

If you are currently attending another US institution on F1 status, please present this letter to your current school to request your current SEVIS record be transferred to Southeast Missouri State University (KAN214F10266000). No transfer-in form is required. Once your record is released, your updated I-20 will be available for pickup. When selecting a transfer date, please note that OPT status or EAD work permission ends effective with the release date of your SEVIS record.

If you are currently attending Southeast, your I-20 will be updated accordingly. Students currently on OPT through Southeast must contact the International Office before any updates will be made.

**Please refer to the following dates when making your travel arrangements:**

August 10	Deadline to complete the Arrival Information Form: <a href="http://www.semo.edu/ies/arrival_form.html">http://www.semo.edu/ies/arrival_form.html</a>
August 12-14	Recommended arrival dates to Cape Girardeau; new students must check-in no later than August 17.
August 17-19	International First Step (Orientation) – mandatory for all students new to Southeast

We are glad you have chosen Southeast! If you have questions, please contact us at 573-986-6863 or [international@semo.edu](mailto:international@semo.edu). Additional information is also available at our website at <http://www.semo.edu/international/>.

Sincerely,

Kevin Timlin, Ed.D.

Karthikeyan,

Congratulations, you have been accepted to Long Island University's Computer Science MS program as a member of the Fall 2024 Class.\*

Long Island University, ranked in the top 7% of universities in the nation for research, is a College of Distinction, recognized by *Forbes*, *The Princeton Review* and *Payscale*. Students excel in the classroom, participate in groundbreaking research with notable scholars, intern at prestigious firms on Wall Street and create innovative startups. Future health professionals secure competitive clinical placements and admission to professional schools. Actors, artists and musicians study with well-known professionals. Long Island University is a vibrant 11-acre campus blocks away from the Barclays Center, a short walk across the Brooklyn or Manhattan Bridges to NYC, or one stop on the subway, conveniently located at the campus entrance.

On campus, you can experience a winning athletic tradition supporting 38 Division I sports, join a fraternity or sorority, run for student government, participate in several of the 100+ student organizations, and star in acting and musical productions. You can enjoy the traditions of college life while experiencing all New York has to offer. You will meet lifelong friends and enjoy some of the best years of your life. LIU has graduated over 285,000 alumni, many of whom hire our graduates.

Please accept this document as your official offer letter. Your next step is to reserve your spot at LIU and apply for the F-1 Student Visa. Instructions on how to apply for the F-1 Student Visa are located [here](#). Contact The Office of International Admissions at [international.admissions@liu.edu](mailto:international.admissions@liu.edu) to set up a virtual appointment or ask questions.

Congratulations again on this momentous achievement. You'll look great in blue and gold!

Program: MS Electrical Engineering  
Location: Main Campus - Melbourne FL

Dear Sai Babu,

Congratulations! You have been admitted to the **MS Electrical Engineering** program at Florida Institute of Technology. On behalf of the admission team and the university, I invite you to join our international community of scholars and become a Florida Tech Panther for life.

Your admission to Florida Tech is evidence of excellent academic achievements as well as your potential for great accomplishments in college and beyond. We believe you have much to contribute to this university, and we are proud to welcome you as one of our newest students.

Florida Tech is a leader in innovation and excellence. Named a "Top 20 Best Small University" by *Times Higher Education*, Florida Tech is also one of 'Forbes' top 50 most entrepreneurial universities. Additionally, we are the *PayScale*-ranked #1 university in Florida for return on investment.

These accolades mean that you have gained access to a university where big ideas are pursued with passion, where professors care about each student's success, and where hands-on, career-oriented experience is always included. Florida Tech is an exciting place to learn.

Your next step is to access your [Admitted Student Portal](#) with the credentials you used to view your application status and work through your checklist items. I hope you will choose to realize your full potential as part of the Florida Tech family - welcome!

Sincerely,

Michael J. Perry  
Executive Director of Admission
