## Profile

The Environmental Awareness Campaign was a key event at Sir CRR College on MARCH 29, 2023. Its main goal was to teach everyone about the importance of protecting our environment. The College Principal opened the event with a speech that motivated everyone to take action and care more about our planet.

### Highlights:

**Principal's Speech:** He talked about how students can play a big role in solving environmental problems and why this is so important.

**Participation:** Students and teachers from every subject came together to learn and share ideas on how to be more eco-friendly.

**Activities:** The day was filled with different activities like discussions, workshops on how to live more sustainably, and projects to help the environment.

**Outcome:** The campaign was very successful in making students more interested and active in environmental issues, just as the Principal hoped.

## Report

### 1. Report in brief by Organizer / Coordinator / Convener:

The Environmental Awareness Campaign at Sir CRR College was a great event that brought the college community together to focus on environmental issues. The Principal's inspiring words and the active involvement of students and teachers highlighted the college's commitment to making a positive impact on the environment.

SCRRCE/Principal's Office /Notices/22-23/13

Date: 27/03/2023

### NOTICE

We are pleased to announce that Sir CR Reddy College of Engineering will be observing the International Day of Zero Waste on [29/03/2023]. This day presents an opportunity for us to reflect on our consumption habits, waste management practices, and commitment to environmental sustainability.

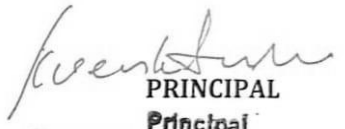

As a community dedicated to fostering innovation and responsible citizenship, we recognize the importance of reducing waste and conserving resources for a sustainable future. In line with this ethos, various activities and initiatives have been planned for the day, including:

Awareness sessions on waste reduction strategies and recycling techniques.  
Clean-up drives within the campus premises.

We encourage all students and faculty members to actively participate in these events and contribute to our collective efforts towards building a greener and cleaner environment. Let us take this opportunity to pledge our commitment to minimizing waste generation and promoting sustainable living practices.

Thank you for your cooperation and enthusiasm in making this event a success.

Together, let's strive for a zero waste future!

### NOTICE

Dear Students and Faculty,

As we approach the auspicious occasion of Republic Day, we are pleased to announce that Sir CR Reddy College of Engineering will be celebrating this significant day with great enthusiasm and patriotic fervor. Republic Day is a momentous occasion for every Indian, as it commemorates the day when our Constitution came into effect, paving the way for the establishment of the Republic of India.

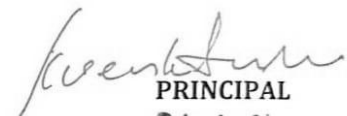

We cordially invite all students and faculty members to join us in the Republic Day celebrations on 24/01/2023. The program will include various activities and events aimed at fostering a spirit of national pride and unity. The schedule for the day is as follows:

- 1.Patriotic Song and Dance Performances: Experience the vibrant culture and rich heritage of India through patriotic song and dance performances by talented students.
- 2.Speeches and Readings: Engage in thought-provoking speeches and readings that reflect upon the significance of Republic Day and the values enshrined in our Constitution.
- 3.Refreshments: Conclude the celebration with delicious refreshments as we come together to cherish the spirit of camaraderie and national pride.

Let us come together as a community to honor the ideals of democracy, liberty, and equality that form the foundation of our nation. Your participation and enthusiasm will make this celebration truly memorable.

Thank you for your attention, and we look forward to your presence at the Republic Day festivities.

Jai Hind!

The College Principal opened the event with a speech that motivated everyone to take action and care more about our planet.

### Highlights:

**Principal's Speech:** He talked about how students can play a big role in solving environmental problems and why this is so important.

**Participation:** Students and teachers from every subject came together to learn and share ideas on how to be more eco-friendly.

**Activities:** The day was filled with different activities like discussions, workshops on how to live more sustainably, and projects to help the environment.

**Outcome:** The campaign was very successful in making students more interested and active in environmental issues, just as the Principal hoped.

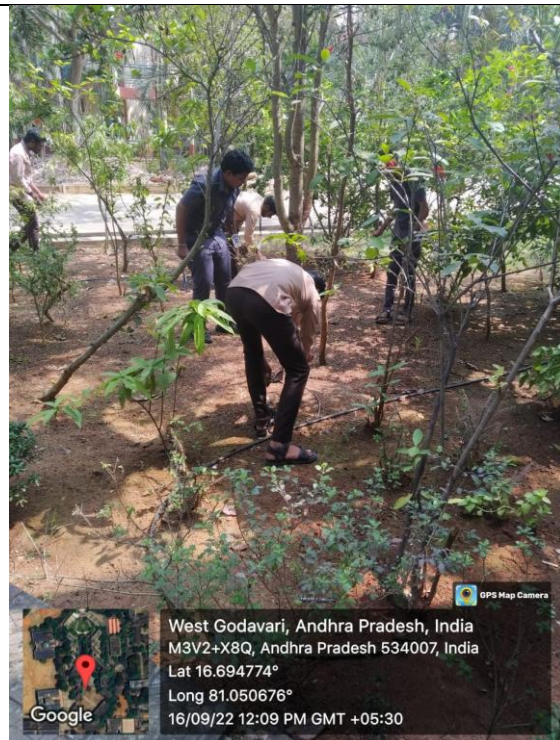

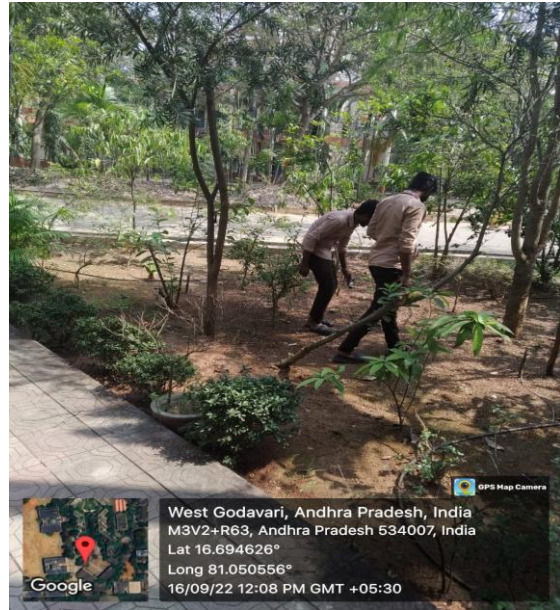

## Report

### 1. Report in brief by Organizer / Coordinator / Convener:

The Environmental Awareness Campaign at Sir CRR College was a great event that brought the college community together to focus on environmental issues. The Principal's inspiring words and the active involvement of students and teachers highlighted the college's commitment to making a positive impact on the environment.

## SIR C R REDDY COLLEGE OF ENGINEERING, ELURU

SCRRCE/Principal's Office /Notices/22-23/13

Date: 15/09/2022

### NOTICE

Dear Students and Faculty,

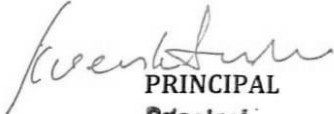

We are delighted to announce that Sir CR Reddy College of Engineering will be observing Clean and Green Day on [16/09/2022]. This day is dedicated to promoting environmental awareness and encouraging sustainable practices within our campus community.

Clean and Green Day serves as a reminder of our collective responsibility to preserve and protect the environment for future generations. Through concerted efforts and individual actions, we can make a significant impact on our surroundings and contribute to a cleaner, greener planet.

To commemorate this occasion, the following activities have been planned:

1. Campus Clean-up Drive: Join us in cleaning various areas of the campus, including lawns, pathways, and recreational spaces.
2. Tree Plantation Campaign: Participate in our tree plantation initiative to enhance the greenery of our campus and mitigate the effects of climate change.
3. Environmental Awareness Workshops: Engage in interactive sessions and discussions on topics such as waste management, energy conservation, and biodiversity conservation.

We encourage all students and faculty members to actively participate in these activities and demonstrate their dedication to environmental sustainability. Let us unite in our efforts to create a cleaner, greener, and more sustainable campus environment.
